

*Honor and Nurture, Together*

*Dear Malcolm,*

*I want to send my sincere thanks to you for the kind, loving care you gave my wife over the past seven plus years.*

*You helped get us through many troubled times. Your facility and staff were always there for us. We appreciate that.*

*You, Seven Acres and its staff will always be in our hearts. Our family will always remember you!*

*Sincerely,*

*The B. Family*
