Dear Friends,

**UNCERTAIN TIMES call for CERTAIN COMMITMENT.** Now in our 78th year of service to the elderly and the elder disabled of the Texas Gulf coast, Seven Acres continues to provide compassionate, professional care and quality of life to our residents. It is through the generous support of our friends and community partners, such as you, that we are able to offer benevolent care to those who need love and support the most.

This year, we need your help more than ever and invite your support as an underwriter of this year's **All You Need Is LOVE** Virtual Gala to be held **Saturday evening, February 6, 2021**. Your home will be the stage for this digital LOVE-fest which will be part event, part home entertainment and surprises, and all-important fundraising to benefit those whom we care for- our residents.

This year's gala will honor our devoted Seven Acres and Medallion staff with the coveted **Joyce Proler Schechter Spirit of Life Award** recognizing their service to our residents and families performed with the highest integrity, particularly during this global pandemic. Their energy, courage, dedication and spirit have earned them the utmost respect and admiration of all those touched by their steadfast care. The staff have exemplified the award values daily and have been instrumental in forwarding our mission of "honoring thy mother and father."

Please join us by becoming an early supporter of **All You Need is LOVE** Virtual Gala by generously underwriting a level. Underwriters who respond by December 6, 2020 will be listed on the invitation and all print materials, and will receive post-event recognition in the Sentinel, Seven Acres newsletter, as well as post-event publicity.

Please consider the various donor options on the enclosed donation form. You may contact Hope Schulz at [gala@sevenacres.org](mailto:gala@sevenacres.org) or 713-778-5700 ext 208 with your response or any questions you might have.

Thank you in advance for your support of our cherished Seven Acres residents- All THEY Need is LOVE. Who better than YOU to help provide it! We are better together and truly hope you will join us.

Sincerely,

Brad Rauch  
President, Seven Acres Board of Directors
