

Seven Acres' Residents Appreciate Your Kindness at Passover

Honor and Nurture, Together

Dear Friend,

What makes a meaningful life? At Seven Acres Jewish Senior Care Services, we make good on our promise to help seniors live the way they want to live. This means caring for the whole person in body, mind, and spirit. It's the foundation for our work to enhance the quality of life, health, and well-being.

Through your past commitment and generosity, Seven Acres has been able to be there for whatever life brings. **We know that aging is a gift, and the key to aging well is having the right support and resources in place.** Our commitment to our residents is unwavering, and we remain ready to reimagine new ways to help them receive quality care throughout any challenge.

Your contribution is needed today, more than ever, to help support the elder and elder disabled who call Seven Acres "home." We believe the highest level in charitable giving is caring for the most vulnerable in our society. With your help, our residents can live longer and live better.

We hope you will consider joining us by making your annual membership gift today. If you have already contributed to the 2021 Annual Fund...thank you!

With gratitude,
