

Seven Acres Jewish Senior Care Services

asks you to help us to

BRIDGE THE GAP

Did You Know...

Over 80% of our residents are dependent upon Medicaid funding.

For every resident on Medicaid, Seven Acres loses approximately \$229 a day.

Today, Medicaid only partially pays for a resident's care, funding approximately 37% of what it costs to care for those who rely on state Medicaid funding compared to 63% in past years. There is a significant gap between the actual cost of care per resident and the current daily Medicaid reimbursement rate. **The largest factor in this gap is due to state Medicaid funding reimbursement that has not kept up with inflation.** Any future Medicaid rate cuts to our program will have a substantial impact on those residents who rely on charitable care. Your support is much needed and greatly appreciated in order for us to preserve a level of care where our elderly can continue to live full, active, and meaningful lives.

Building a Powerful Partnership Seven Acres and You!

Friends of Seven Acres Annual Fund Campaign August 31, 2022 to September 1, 2023

The Friends of Seven Acres Annual Fund Campaign is our major endeavor to “**Bridge the Gap**” between reduced State Medicaid funding and the actual cost of maintaining the high quality of care and life our residents deserve. Your commitment to be a partner by the end of our fiscal year, August 31, 2022, is now more critical than ever.

With Abundant Gratitude,

Barbara Bratter
