

*Dear Friends*

*Thank you so very much for your donation of a tree to be planted in Israel bearing my husband's name. He would be very honored. My husband took being President of the Residents Club very seriously. He felt a sense of pride speaking for the other residents and trying to voice their concerns.*

*We miss him dearly and his years at Seven Acres were a god send to him and to my daughter. It was home to him. Thank you.  
Warmly, T.A.*
