

*Honor and Nurture, Together*

*Dear Barry and Stephanie,*

*You were so kind to place a tribute ad in memory of my mom in the Jewish Herald Voice. As you know, Mom was also the beneficiary - twice - of your Skilled Nursing Services. And, she was so grateful to The Medallion for taking in our A.R., ז"ל.*

*Thank you for remembering her in this special way.*

*Fondly, V.S.L.*
