

*Dear Jennifer,*

*Thanks for your expression of sympathy for my dad's passing.*

*I would just like to say that I'm grateful to you for your role at The Medallion, for providing an environment rich with social activities and for all the loving kindness that you and other staff memers provided for our dad.*

*I'm so grateful that my father could live in a beautiful community like the Medallion, it was a blessing for him to end his years there.*

*Regards,*

*B. T.*
