## **Seven Acres and The Medallion Celebrate Veterans Day with Ceremony and Patriotic Concert**

Veterans Day is more than a date on the calendar at Seven Acres and The Medallion, it's a day of heartfelt gratitude for the many residents who proudly served in our nation's military and during some of the most defining chapters of American history, from World War II and the post-war era to the Korean and Vietnam wars.

On Sunday, Nov. 9, residents, families, and guests gathered to honor these heroes during a moving flag ceremony organized by members of the Jewish War Veterans Houston-Levy Post 574. The event was graciously hosted by longtime Seven Acres supporters Vicky and Michael Richker, who have sponsored this annual tradition since 2008.

The ceremony opened with a presentation of colors and the recitation of the Pledge of Allegiance, led by Michael Richker, and members of the Jewish War Veterans.

Following the ceremony, guests enjoyed a spirited concert in the Seven Acres auditorium featuring the Gulf Coast Concert Band. The performance included a musical salute to each branch of the U.S. Armed Forces, with their official theme songs played in tribute. Richker also delighted attendees with a medley of classic Broadway tunes, accompanied by the band.

The afternoon was a beautiful reflection of gratitude, patriotism, and community spirit, honoring the men and women whose service and sacrifice continue to inspire generations.
